

Kansas Citizens for the Arts Advocacy Workshops

Kansas Citizens for the Arts invites arts organization leaders — staff and board members — arts audiences, arts educators — and everyone who cares about the arts in Kansas — to attend one of four **free** arts advocacy workshops throughout the state.

Led by lobbyist and strategic communications specialist Sarah Carkhuff Fizell, the workshop will help you become an expert in developing a message for local arts advocacy and help you craft your very own proclamation for October is **Arts and Humanities Month**.
